Awaken and Empower Your Life!

Did you know that your thoughts create your reality? Positive or negative, what you believe is what you will see. Yet, to create happiness and success, you must first process any negative emotions. By allowing your feelings to move through you, you clear a path to your happiness, opening to a new level of awareness and understanding. As you create inner peace, welcoming positive thoughts becomes easier. Discover how this unique approach guides you to achieve your dreams, improve your relationships, and empower your life.

The Real Me is an invitation to awaken to your true self — LOVE. Featuring the “Seven Aspects of Spiritual Awakening,” *The Real Me* is filled with positive affirmations, prayer meditations, writing exercises, resources, spiritually empowering ceremonies, and more. Let *The Real Me* guide you in creating the life you truly deserve to give your real self.
